

Chief Forester Order
Section 173 of the *Forest Act*

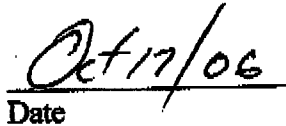

I, Jim Snetsinger, Chief Forester, order that the allowable annual cut for Tree Farm Licence 47 is reduced by 10 000 cubic metres effective July 1, 2005 to account for the Haida Gwaii/Queen Charlotte Islands Designated Area (B.C. Reg 210/2005), and reduced by 7 000 cubic metres effective September 8, 2006 to account for Haida Gwaii/Queen Charlotte Islands Designated Area No. 3 (B.C. Reg 251/2006) until either area ceases to be a designated area.

These reductions apply as follows:

- (a) the allowable annual cut reductions are attributable to old-growth timber in the Moresby Island Management Unit of Tree Farm Licence 47;
- (b) the allowable annual cut attributable to the portion of Tree Farm Licence 47 other than the Moresby Island Management Unit is unchanged.

This order cancels and replaces the order I signed on October 4, 2006, which reduced the allowable annual cut for Tree Farm Licence 47.

Jim Snetsinger
Chief Forester
