

Chief Forester Order
Section 173 of the *Forest Act*

I, Jim Snetsinger, Chief Forester, order that the allowable annual cut for the Queen Charlotte Timber Supply Area is reduced by 37 000 cubic metres effective July 1, 2005 to account for the Haida Gwaii/Queen Charlotte Islands Designated Area (B.C. Reg 210/2005), and reduced by 69 000 cubic metres effective September 8, 2006 to account for Haida Gwaii/Queen Charlotte Islands Designated Area No. 3 (B.C. Reg 251/2006), until either area ceases to be a designated area.

The reduction to account for Haida Gwaii/Queen Charlotte Islands Designated Area No. 3 applies as follows:

- (a) the allowable annual cut attributable to low-volume cedar stands is reduced by 11 000 cubic metres
- (b) the allowable annual cut attributable to stands other than low-volume cedar stands is reduced by 58 000 cubic metres

This order cancels and replaces the order I signed on October 4, 2006, which reduced the allowable annual cut for the Queen Charlotte Timber Supply Area.

Jim Snetsinger
Chief Forester
