

Chief Forester Order
Section 173 of the *Forest Act*

I, Larry Pedersen, Chief Forester, order that the allowable annual cut for the North Coast Timber Supply Area is reduced by 27 000 cubic metres until the area referred to as the Central Coast Designated Area in B.C. Reg 115/2002 ceases to be a designated area.

This reduction is applied as follows:

- (a) the allowable annual cut attributable to the partition in the portion of the timber supply area north of the Nass River remains unchanged;
- (b) the allowable annual cut attributable to the partition in the portion of the timber supply area which is considered highly visually sensitive remains unchanged;
- (c) the allowable annual cut attributable to the portion of the timber supply area other than the partitions referred to in (a) and (b) is reduced by 27 000 cubic metres.

Date

July 3/02
